General Rules and Regulations

No animal or article unworthy of a premium shall receive 1st place even though there be no competition. Nor shall any animal or article receive a higher premium than its merit demands. When there is nothing in a division deserving a premium, the judge or committee shall make no award. Lack of competition shall not be cause for withholding a premium, if the animal or article is worthy. Any person who attempts to interfere with the judging of exhibits shall forfeit any award that he or she may be entitled to in that division. No animal or article shall compete for more than one award except when the animal is used as part of a herd or group division. Livestock judges shall give reasons for their placing at the completion of the judging of each division. Other judges may be asked to give reasons for their decisions. Pedigrees (or proof of eligibility to record by registry certificates of sire and dam) of horses and cattle in the registered divisions shall be shown to the Superintendent to entitle animals to premiums. This rule will be strictly observed. Superintendents of all departments have the right to accept or reject any exhibit.

Policies

The Society will not assume any responsibility for disease, sickness, injury, loss or damage to exhibits contracted during the Fair.

Any person knowingly violating any of the rules of this Society will thereby forfeit all rights to any premium that may be awarded to them.

No persons will be permitted to distribute advertising matter on the grounds except from their place of business or exhibit. The tacking or posting of any advertisement or distribution of bills, cards, fliers, etc. except within the space occupied by the exhibitors is prohibited. Anyone violating this rule will be subject to fine and expulsion from the grounds as the Board of Directors may elect.

Animal Health

All animals will be inspected by the official veterinarian the opening day of the Fair and throughout fair week. The official veterinarian will order the immediate removal to a guarantine facility or removal from the exhibition premises of any animal showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the Official Veterinarian and Fair Superintendent and owner or exhibitor of said animal must abide by the decision of this Veterinarian and the designated Fair Superintendent. Animals with warts or ringworm may not be shown. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable. Animals known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined flock may not be entered in an exhibition.
