PRIZES & PICKUP

Special Ribbon Recognition

Bring more exhibits and receive a special ribbon recognition! Each year the challenge of the competitive exhibits departments is to:

1. Include new people to exhibit
2. Increase or maintain the number of exhibits
3. Value exhibitors who bring a large number of exhibits

A large, colorful Special Ribbon will be awarded to individuals exhibiting the most static (non-livestock) open class exhibits within a department (one ribbon per department). For example, the individual with the most entries in Canning and Preservation (Dept. 20), Knitting & Crocheting (Dept. 24), or Baking (Dept. 21) will receive the ribbon for that department.

How do I know if I've won?

Find out how your entries did by visiting your exhibit at the fair.

How do I claim my ribbon or prize?

Prizes can be claimed during the exhibit release times listed below. Feel free to contact the Superintendent for your department if you need more information.

When can I pick up my exhibit?

Agriculture Building Exhibits (Dept. 17–27 & 102):

Exhibits can be picked up on:

- ☑ Sunday, August 16 from 8 p.m.–9:30 p.m.
- ☑ Monday, August 17 from 9 a.m.–noon

NOTE: Any exhibit picked up prior to the times listed above will result in forfeiture of your premium.

Education Building Exhibits (Departments 28–30):

Exhibits **must** be picked up on:

- ☑ Sunday, August 16 from 8 p.m.–10 p.m.

NOTE: Any exhibit picked up prior to the times listed above will result in forfeiture of your premium.

Premium Checks

Premium checks will be available Sunday evening in the respective buildings/barns and will have a 30-day validation period. Exhibitors may have one or more checks based on the departments entered. Checks will be issued in four groups:

DEPARTMENT 19: FLORICULTURE

Judging: Agriculture Building
 Divisions A–F: Tuesday, 6:30 p.m.
 Divisions G–M: Wednesday, 7:00 a.m.

- **Attention Exhibitors: Please review all general guidelines for Departments 17–27 on page 39.**

- Extra greens or fillers should not be used except in arrangements.
- PLEASE NOTE: You need to have the exact number of plants, stems, blooms or designated item in each class to exhibit. Check behind the class name or on top by the division name to see how many you need.
- Exhibits should be in a clean, **clear (if possible)**, sturdy, suitable container no larger than 3" in diameter. If container is over 3" in diameter, it will not fit in the display cases. If you have a top-heavy exhibit, feel free to add weight to the bottom of the vase, e.g., colored glass beads or stones.
- ⚠️ **No colored containers please.** We make every effort to make sure your exhibit is looking good, and clear bottles/containers enable us to monitor the water level.
- ⚠️ **No plastic bottles please.** Plastic bottles/containers tend to tip easily.
- All flowers must be home grown by exhibitor.
- Good size of bloom and uniformity of the variety in size is one of the points judges consider. In addition, good color and substance, form of bloom, good clean foliage and a strong stem with leaves left on are essential.
- Helpful hint: leave the stem as long as possible to reach the water in your vase for the duration of the Fair.
- **Please, no foliage below water line.**
- **Harden flowers:** cut in morning or evening, cut at an angle using sharp knife and place in warm water for 2 hours or overnight—flowers will last longer.
- Please note: Specify on exhibit label as to suggested watering during the fair.

General Rules and Regulations

No animal or article unworthy of a premium shall receive 1st place even though there be no competition. Nor shall any animal or article receive a higher premium than its merit demands. When there is nothing in a division deserving a premium, the judge or committee shall make no award. Lack of competition shall not be cause for withholding a premium, if the animal or article is worthy. Any person who attempts to interfere with the judging of exhibits shall forfeit any award that he or she may be entitled to in that division. No animal or article shall compete for more than one award except when the animal is used as part of a herd or group division. Livestock judges shall give reasons for their placing at the completion of the judging of each division. Other judges may be asked to give reasons for their decisions. Pedigrees (or proof of eligibility to record by registry certificates of sire and dam) of horses and cattle in the registered divisions shall be shown to the Superintendent to entitle animals to premiums. This rule will be strictly observed. Superintendents of all departments have the right to accept or reject any exhibit.

Policies

The Society will not assume any responsibility for disease, sickness, injury, loss or damage to exhibits contracted during the Fair. Any veterinarian expenses incurred during the fair are the owner's responsibility. Any person knowingly violating any of the rules of this Society will thereby forfeit all rights to any premium that may be awarded to them.

No persons will be permitted to distribute advertising matter on the grounds except from their place of business or exhibit. The tacking or posting of any advertisement or distribution of bills, cards, fliers, etc. except within the space occupied by the exhibitors is prohibited. Anyone violating this rule will be subject to fine and expulsion from the grounds as the Board of Directors may elect.

An exhibitor removing exhibits before 8 p.m. on Sunday, August 16, 2026 will forfeit their premium monies. **All premium checks must be cashed within 30 days after they are issued.**

Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the Official Veterinarian and Fair Superintendent and owner or exhibitor of said animal must abide by the decision of this Veterinarian and the designated Fair Superintendent. Animals with warts or ringworm may not be shown. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.
