- All exhibits competing for premiums must be grown or created by the person exhibiting them.
- **The exhibits must be grown or completed in the current year with exceptions where noted behind the class name.**
- The same exhibit **may not** be entered for premiums more than 1 year; entries should be from the current year.

DEPARTMENT 19: FLORICULTURE

Judging: Agriculture Building

Divisions A-F: Tuesday, 6:30 p.m.

Divisions G-M: Wednesday, 7:00 a.m.

- **Attention Exhibitors: Please review all general guidelines for Departments 17-27 at page 27ginning of this document.**
- Extra greens or fillers should not be used except in arrangements.
- PLEASE NOTE: You need to have the exact number of plants, stems, blooms or designated item in each class to exhibit. Check behind the class name or on top by the division name to see how many you need.
- Exhibits should be in a clean, **clear (if possible)**, sturdy, suitable container no larger than 3" in diameter. If container is over 3" in diameter, it will not fit in the display cases. If you have a top-heavy exhibit, feel free to add weight to the bottom of the vase, e.g., colored glass beads or stones.
- ☑ **No colored containers please.** We make every effort to make sure your exhibit is looking good, and clear bottles/containers enable us to monitor the water level.
- ☑ **No plastic bottles please.** Plastic bottles/containers tend to tip easily.
- Good size of bloom and uniformity of the variety in size is one of the points judges consider. In addition, good color and substance, form of bloom, good clean foliage and a strong stem with leaves left on are essential.
- Helpful hint: leave the stem as long as possible to reach the water in your vase for the duration of the fair.
- **Please, no foliage below water line.**
- **Harden flowers:** cut in morning or evening, cut at

an angle using sharp knife and place in warm water for 2 hours or overnight—flowers will last longer.

- Please note: Specify on exhibit label as to suggested watering during the fair.
