- Ropes with seatbelt, cages allowed, helmets recommended and required on all cage tractors
- Wheelie bars, fenders, fire extinguisher
- Electric or no cooling fan
- Floor board must be strong enough to support the driver
- Drivers must wear long pants (no shorts)
- Any type of safety equipment is recommended

GENERAL RULES

Tractors, Pickups, and NEW SEMI RULE CLASSES

- **NO** consumption of alcoholic beverages by pullers before or during the pull. **ANYONE** caught will be disqualified and told to leave the premises and **WILL NOT** receive their entry fee back
- Loss of weight or any part of vehicle pulling will result in disqualification.
- Vehicle and sled must stay within the boundaries of the track.
- Track officials' decisions are final. Failure to obey track officials will result in disqualification.
- **MUST** have current registration, plates, and insurance on pulling vehicle. Must pass all street legal law enforcement regulations.
- All vehicles are to be driven safely on the track and in the pit area. No nitrous oxide or alcohol fuels are allowed.
- All pullers must furnish their own 3" clevis.
- All trucks must be in neutral or park when being hooked or unhooked from sled.
- If changes are made to vehicle after inspection, you are automatically disqualified.
- No 2% weight tolerance-weight for classes is stated.
- NO INTERNAL ENGINE MODIFICATIONS
- May not pull in two classes with one vehicle.
- Tractor may be 200 pounds overweight with driver.
- Driver must be 18 years of age or at least 16 years of age with parent's consent.

Diesel pickup general rules

- Must have current registration
- DOT tires
- Must have the ability to make a 10-mile drive
- Complete interior
- No duals without dually fenders
- 26" Hitch height
- 3 ¾" hitch hole (Legality of hitch at discretion of tech official)

- Rear Traction bars allowed both classes
 - 8500 lb. +/- 200 lbs. for driver only
- *All general pull rules apply***
Tech Official has final say
